Chapel/Gathering Room Attendant Policy - Effective January 1, 2024

With certain exceptions, at Roselawn Cemetery we will always do our best to make the Roselawn Chapel and Gathering Room available to the families we are privileged to serve.

To best serve our guests and client families, it is Roselawn's preference that a funeral home or cremation service representative be present for the duration of the chapel/gathering room use. A \$425.00 chapel attendant fee will be assessed for all chapel/gathering room uses where a funeral home or cremation service representative is not present. The attendant is not involved in conducting or coordination of the service in any way. The attendant will provide proper direction within the building, access to the sound system, lighting, and miscellaneous equipment, as well as timely communication with the cemetery staff for interment coordination.

Roselawn Cemetery is not a licensed caterer nor food service provider; therefore, our staff members are not permitted to handle food. All food served in Roselawn Cemetery Gathering Room must be provided by a licensed caterer. When enough time allows, Roselawn Cemetery staff will coordinate the ordering and coordination of catering through select catering services upon request.

Tables and chairs have been arranged to accommodate the safe flow of movement and access to the handicap-accessible restroom, for the safety of our guests, furniture may not be moved without prior authorization. **Food and beverages are not allowed in the chapel space.**

We thank you for your continued support and partnership as we work to better serve the families in need of our services.

Sincerely,

Amanda **R.** Thoreson
